

FSK10113 Certificate I in Access to Vocational Pathways

Course Description

This qualification is designed for individuals who require significant foundation skills support to access a vocational learning pathway.

The qualification is suitable for individuals who require:

- a prevocational pathway to employment and vocational training
- reading, writing, numeracy, oral communication and learning skills at Australian Core Skills Framework (ACSF) Level 1
- entry level digital technology and employability skills.

Volume of Learning

Volume of learning is typically 0.5 - 1 year. There may be variations between short learning duration, specialist qualifications that build on knowledge and skills already acquired, and longer duration qualifications that are designed as entry level requirements for work

Entry Requirements

A Pre-Training Assessment is conducted with enrolment to determine the Foundation Skills of the learner in relation to the requirements of the course.

Units of competency required

To achieve a Certificate I in Access to Vocational Pathways must complete 11 units.

These units include:

- Seven core units, and
- Four elective units.
