

# FSK10213 Certificate I in Skills for Vocational Pathways

## Course Description

This qualification is designed for individuals who need skills to prepare for a vocational pathway qualification or further foundation skills development.

It is suitable for individuals who require:

- a prevocational pathway to employment and vocational training
- reading, writing, numeracy, oral communication and learning skills at Australian Core Skills Framework (ACSF) Level 2
- entry level digital technology and employability skills
- education, training and employment goals

## Volume of Learning

Volume of learning is typically 0.5 - 1 year. There may be variations between short learning duration, specialist qualifications that build on knowledge and skills already acquired, and longer duration qualifications that are designed as entry level requirements for work

## Entry Requirements

A Pre-Training Assessment is conducted with enrolment to determine the Foundation Skills of the learner in relation to the requirements of the course.

## Units of competency required

To achieve a Certificate I in Skills for Vocational Pathways must complete 11 units.

These units include:

- Seven core units, and
- Four elective units.
